- All 11th Grade Students are enrolled in a Career Project course in Canvas. All information about the project is included there.
- This is a graduation requirement for all students.
- Presentations are scheduled to take place on March 5, 2024.

Career Study Opportunity: Future Planning

An optional program for **senior students** who are in good academic standing.

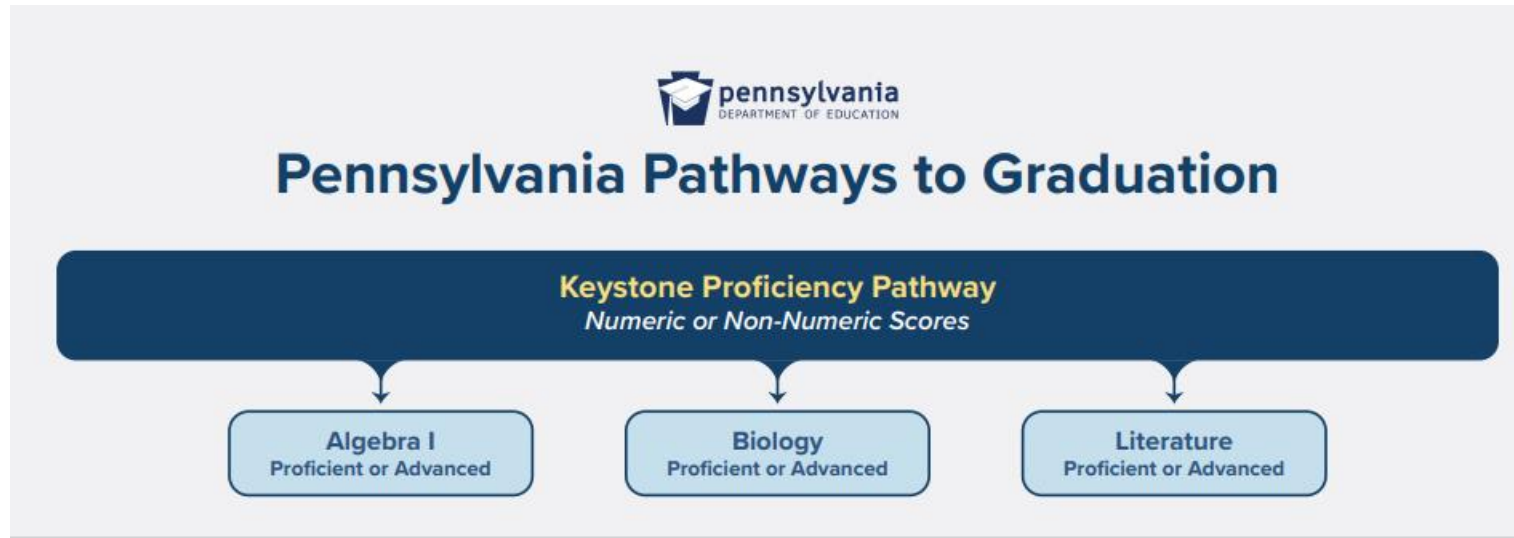

The program provides an opportunity for students to explore a potential career path and enjoy a workplace experience.

Students who participate in this program will leave school for the last three (3) weeks prior to graduation in order to participate in a program of observation or hands-on experience guided by a community sponsor.

No credit or grade is earned and this is an unpaid experience.

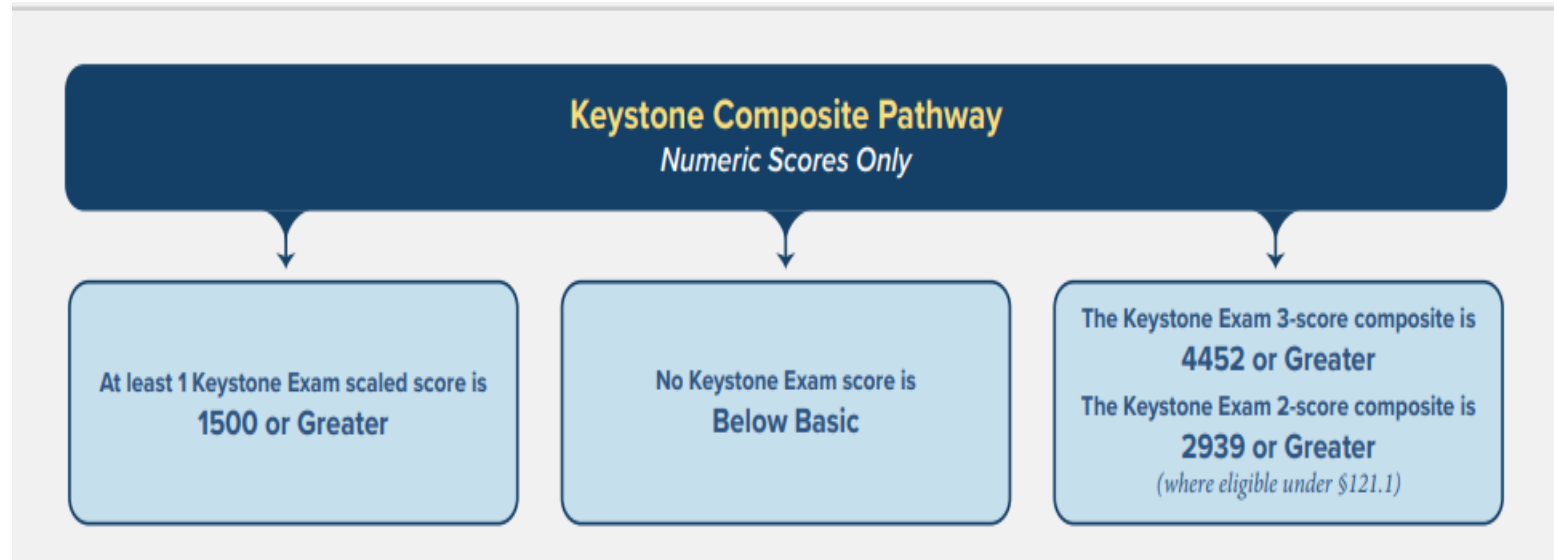

ACT 158/ Keystone

□ Keystone Proficiency Pathway:

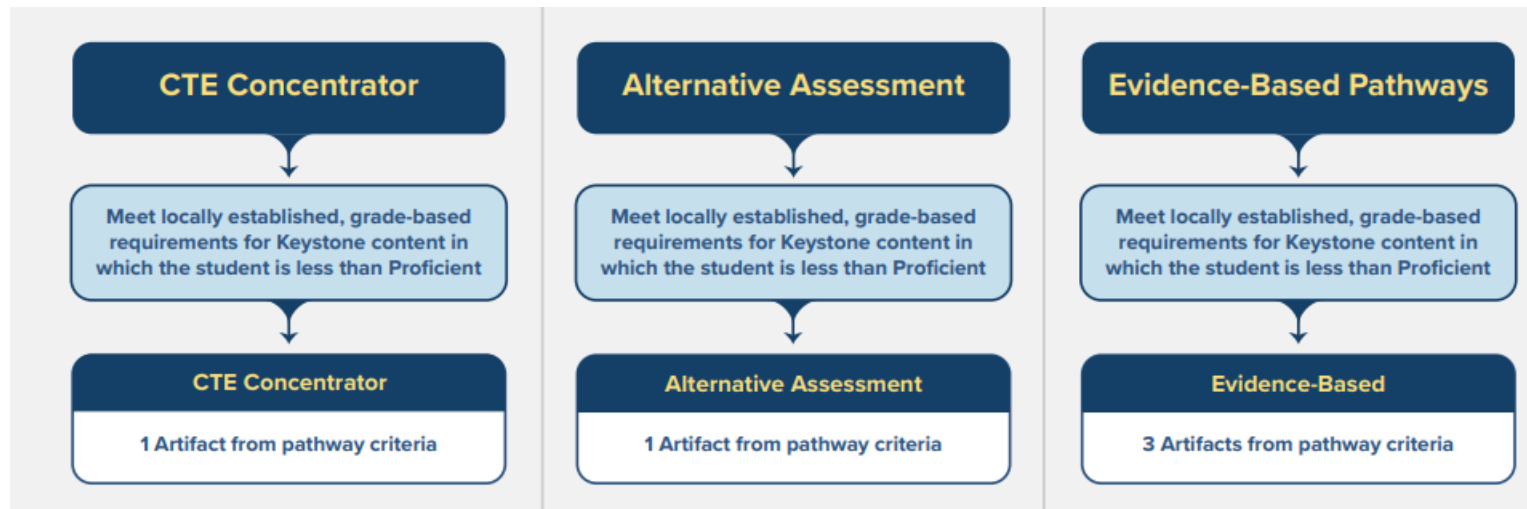

ACT 158/Keystone

□ Composite Score

ACT 158/Keystones

- CTE (Career & Technical Education)
- Alternative Assessment (PSAT, SAT, ACT,ASVAB)
- Evidence Based

Core Courses

Individual Recommendation Meetings

January 23-26 – Core Course Teacher Recommendations.

Rising 10th- all 4 cores recommended

Rising 11th- English, Math, Social Studies recommended

Rising 12th- only English recommended

***Students will need to select the other cores not recommended.**

Prerequisites for all courses

Program of Studies- Lists all prereqs

Students are recommended for the course for which they meet the highest prerequisite, but may choose a lower level course.

Students who do not meet the prerequisite but would like to move up a level in a course, will have an opportunity to meet individually with their counselor to discuss.

AP Information 2024-2025

Advanced Placement: College Level Course Work

All students will be required to decide on exam registration by the end of this upcoming October.

Payment (approximately \$100 per exam) is required by November 1

Registration will take place online in AP classes.

AP Credit Policy on College Board website provides information regarding scores and colleges

Electives

- Elective Scheduling Window
 - **January 29- February 2**
 - Selections will be made via **Skyward Student Access.**
(Family Access does not have the scheduling component)
- **Students can access Skyward through Clever.**
- **Students should select 12 elective choices. These will all be entered in the Request Alternates tab. Course should be ranked in order of preference.**

Search Clear

Two links here to choose from

Seniors must have a minimum of 6 credits and Senior Privilege cannot be selected/guaranteed.

We can't guarantee the electives that are chosen, but will work as hard as possible to make that happen.

If a student doesn't select any electives, the counselor will automatically choose them for them.

Lunches, Study Halls and Career Exploration will be automatically added after schedules are created.

Technical College High School Pickering Campus

Achieving Success Together

Technical College High School (TCHS) is a place where students get to explore the things that interest them through a hands-on approach to education. TCHS is a part-time, public career-focused program for high school students in Chester County.

Available for students to begin attending for their 10th grade year.

Online application is open and priority deadline is January 30th.

[TCHS Pickering Admissions Page](#)

OPEN HOUSE: March 5th @ 6 PM. TCHS website for details.

TCHS Catalog of Programs

- Animal Science
- Automotive Collision Technology
- Automotive Service Technology
- Carpentry
- Commercial & Graphic Arts
- Cosmetology
- Criminal Justice & Police Sciences
- Culinary Arts
- Digital Media & Sound Communication
- Early Childhood Care & Education
- Electrical Occupations
- Health Career Pathways
- HVAC (new in 2024-2025)
- Welding

Counselor Meetings

Meet

School counselors will meet with each student to discuss core course recommendations and elective choices. Graduation Requirements/Keystone Pathway and other important info is reviewed.

Schedule

The meeting schedule will be posted for students in the B hallway and parents will receive an email.

Reminders

A reminder message will be sent the day prior to alert the student of the appointment.

Waivers- Now Electronic!

If at the Semester 1 mark during core teacher recommendations a student does not meet the prerequisite as outlined in the POS but is within 5% points, students can communicate this to their counselor during their pre-scheduled individual meetings.

Students will be required to complete an electronic waiver form. Waiver are available on the counseling department webpage.

School Year Course Changes

Electives

- No elective changes will take place after elective selection is complete in Skyward.

Leveling Down

- All course level change requests to move down a level must be made during Marking Period 1. Students may not level down during Marking Period 2.

Leveling Up

- All course level change requests to move up a level must be made within the first two academic cycles of the school year.

Withdrawal

- A withdrawal from a PAHS course during semester one will result in the recording of a WITHDRAWAL PASS (WP) or a WITHDRAWAL FAIL (WF) on the student's transcript. The designation is dependent upon the course grade at the time of the withdrawal. Only a student who has a current final grade of a 59 or below may withdraw after the semester 2 start and will receive that grade on their transcript. In either scenario the student does not gain credit for any portion of the course.

See the Program of Studies (POS) for more information.

NCAA Eligibility

- If a student is interested in competing in a sport at Division I or II college, please complete the NCAA Self-Identification form that Mrs. Bhalla sends out every January. This form only needs to be completed ONCE during high school- it does not need to be completed yearly. Once this form is completed, a NCAA core course review will be completed and the student will be monitored for NCAA eligibility throughout high school.
- Information will be reviewed regarding the NCAA Clearinghouse. NCAA Clearinghouse registration is mandatory for participating in a collegiate sport. Core courses will be reviewed.

Dual Enrollment Partnership

- Montgomery County Community College
- Reference the Program of Studies for course offerings.
